At LOGOS English Services, we do not teach students how to memorise essays.

As the Structural Approach is based on the study of Traditional Grammar, students learn sentence structures and variety in sentence-building before they write clear essays on various topics.

✦ What Your Child Will Gain:

- ✔ Strong command of Traditional Grammar
- ✔ Knowledge of sentence patterns for clarity
- ✔ Step-by-step Essay Writing techniques
- ✔ Confidence in speaking English correctly
- ✔ Better exam performance and long-term proficiency
